

PINK BALL

PRIZE MONEY

FIRST	LEAGUE WILL
SECOND	DETERMINE
THIRD	

The winning foursome will be determined by the group with the lowest net Pink Ball score. Each foursome will receive one pink ball and a special score card. The score card designates which player is assigned to play the Pink Ball on which hole. Please mark the gross score for the Pink Ball in the designated spot on the special score card and turn the card in at the conclusion of the round. We will calculate the net score and determine the winners. It's that simple, except for a few minor rules and requests:

1) If you lose the Pink Ball the foursome will be unable to continue marking a Pink Ball score, however, you are not out of the competition!! In the event all the groups lose the Pink Ball the group that played the most holes with their Pink Ball will be eligible for prize money.

2) If the Pink Ball is hit out of bounds, in order to speed up play, you may hit a provisional ball. Play with the Pink Ball can continue only if the Pink Ball is found. Just replace the provisional with the Pink Ball on the next shot. (Obviously the two stroke penalty applies.)

3) **PLEASE!!** Please use the special score card to record only your Pink Ball scores. Return the card to Rich T or Jerry immediately upon completion of your round.

THANKS, GOOD LUCK
